MEMORANDUM

Date: May 19, 2023
To: ALL CONCERNED
Re: **ACADEMIC CONSOLIDATION WEEK (HEALTH BREAK)**

In reference to Implementing Order No. 12, s. 2023, approving the Academic Consolidation Week (Health Break) for three (3) days and in consultation with student leaders, the University shall observe the Academic Consolidation Week (ACW) based on the Academic Calendar for SY 2022-2023. The ACW for TUP Manila and TUP Cavite is scheduled on May 22–23, 2023, and June 28, 2023, while the TUP Taguig and TUP Visayas Campus Director shall determine their ACW based on their Academic Calendar and shall issue a memorandum thereof.

The ACW shall not be a temporary cessation of the academic activities of the University, nonetheless an opportunity for the academic community to conduct the teaching-learning process through consultations. Also, ACW is a time to slow down the pace of delivery, to give time and space for reflection and consolidation of learning outputs and to ease academic pressure for all students.

Along this line, the following guidelines shall be observed:

1. No face-to-face and synchronous learning modality shall be conducted, moreover, these will be temporarily replaced by asynchronous modality.
2. The faculty members shall use the period to allow the students to catch up with the class requirements, give the students time to review their discussed lessons, to check and evaluate the student assessments, to update the class records, provide time to consult with the students pertaining to the challenges and difficulties of their classes and other similar academic activities. Hence, the giving of assignments and examinations is strictly prohibited.
3. Students shall be allowed to access and complete lectures, readings, and other learning materials during this period at their own pace.
4. During ACW, the faculty members should report onsite and observe their regular schedule.
5. The activities during the ACW shall be monitored by the Department Heads, College Deans, and ADAA of the Campuses.

For information, guidance, and widest dissemination.
