Deadline:

**April 08, 2022, 9PM**

**GEC7 – SCIENCE, TECHNOLOGY, AND SOCIETY**

**LESSON 5 – Why the Future Does Not Need Us**

**ACTIVITY 5 – CASE ANALYSIS**

**Instructions:** Read on the research study about Google Maps on the link below:

[https://www.researchgate.net/publication/322312021\\_Google\\_Maps\\_Security\\_Concerns](https://www.researchgate.net/publication/322312021_Google_Maps_Security_Concerns)

Write a paper analysis discussing the following:

- I. Overview of the study (*at least 300 words*)
- II. Insights/Lessons Gained from the Case (*at least 500 words*)
- III. Research-based Recommendations (*in addition to the paper's recommendation*) on how the Google Maps services can be improved (*at least 300 words with 3 citations*)
- IV. References

Use the attached template for your output. No reference, zero.

Deadline:

**May 12, 2022, 9PM**
