TUP VISION

The Technological University of the Philippines shall be the premiere state university of technology and the model of excellence in technology education in the country and in a knowledge-based economy of the 21st century.

TUP MISSION

The University shall provide higher and advanced vocational, technical, industrial, technological and professional education and training in the industries and technology and practical arts leading to certificates, diplomas, and degrees. It shall provide progressive leadership in applied research, developmental studies in technical, industrial and technological fields and production using indigenous materials; effect technology transfer in the country side; and assist in the development of small and medium scale industries in identified growth centers.

STUDENT'S PLEDGE

In consideration of my admission to the University, I do hereby pledge to abide by the existing rules and regulations and those that may be implemented as deemed necessary by the University Administration.

Student's Signature over Printed Name

TECHNOLOGICAL UNIVERSITY OF THE PHILIPPINES

Cavite Campus

CQT Avenue, Salawag, City of Dasmarinas, Cavite

Off-campus Site of the Graduate Programs of the Manila Campus:

Bachelor of Science in Electronics Engineering

Bachelor of Science in Mechanical Engineering

Bachelor of Technology

Major in: Mechatronics Technology

Bachelor of Science in Engineering Technology (BSET)

Three-Year Diploma Courses Leading to BSET: Automotive

Engineering Technology

Chemical Engineering Technology

Computer Engineering Technology

Electrical Engineering Technology

Electro-Mechanical Engineering Technology

Electronics Engineering Technology

Mechanical Engineering Technology

Refrigeration and Air-conditioning Engineering Technology

III. ACADEMIC POLICIES

Admission Requirements

For New Applicants:

1. Must pass the oral and written admission tests
2. Must possess good moral character
3. Must be physically and mentally fit
4. Must meet the grade/other requirements in the respective course being applied for (e.g. for engineering, architecture and other science courses)
5. Must have a grade of 80% or better in Math, Science and English subjects
6. Must be a high school graduate (for transferees: no failing grade in any subject and may apply only in the engineering technology courses)
7. Must sign/comply with the Student Pledge

For Applicants in the Continuum/Ladderized Program:

1. Must pass the interview and the written/oral exams
2. Must meet the grade requirements of the course being applied for
3. Must be of good moral character
4. Must be physically and mentally fit
5. Must be a graduate of diploma courses
6. Must sign/comply with the Student Pledge

For Applicants in the Master's and Doctorate Programs:

1. Must be a graduate of a relevant Bachelor or Master's degree
2. Must pass the oral and written tests
3. Must be physically and mentally fit
4. Must be of good moral character
5. Must meet the other entry requirements of the program

1. Must have proof of English proficiency
2. Must pass the Admission Test
3. Must have proof of Psychological and Physical fitness
4. Must submit the necessary documents, e.g. student visa/Visa Conversion, to the Office of the University Registrar
5. Must submit the Transcript of Records/Scholastic Records duly authenticated by the Philippine Foreign Service Post located in the student applicant's country of origin or legal residence
6. Must have a Notarized Affidavit of Support including bank statements, Notarized Notice of Grant for institutional scholars to cover expenses for the students' accommodation and subsistence, as well as other school dues and other incidental expenses
7. Must have a Photocopy of the data page of the student's passport showing the date and place of birth, and the birth certificate or its equivalent, duly authenticated by the Philippine Foreign Service Post
8. Must have a National Intelligence Coordinating Agency (NICA) Clearance
9. Must have a Bureau of Quarantine Clearance
10. Must sign/comply with the Student Pledge

Transfer of Students

1. A student from a campus of the University is allowed to transfer to another TUP campus; provided that he satisfies the admission requirements of the program in the college concerned.
2. A transfer student from other SUCs may be admitted provided that he has no failed / dropped mark and he satisfies the admission requirements of the program in the college concerned.
3. A transfer student from private institutions may be admitted to any three-year program of the University provided that he has no failed/ dropped mark and he satisfies the admission requirements of the program in the college concerned.
4. Any student who intends to transfer to another school, college or university must be cleared of all liabilities and responsibilities (administrative, academic and financial) in the University. The necessary documents for transfer could be secured from the Office of the Registrar.

Classification of Students

1. Undergraduate – those enrolled in three-year technology (non-degree) courses, four-year degree courses and five-year degree courses including those enrolled under the ETEEAP, Industry Based Programs and External Studies program.
2. Graduate – those enrolled in master's and doctorate degrees, including the External Studies program.
3. Non-Regular – those enrolled in non-degree programs with credits, cross registrants with credits and special students without credit.

Fees

1. Fees assessed and collected from the students are only those fees fixed and authorized by the Board of Regents.
2. Matriculation or regular fees shall include: tuition, laboratory, library, medical, development and other fees to be paid by the students in
