**Dr. Myrna M. Tepora**  
Director  
TUP-Cavite

Dear Dr. Tepora:

PhilHealth started the Social Health Insurance Advocates and Champions (SHIAC) training course as a tool to realize the National Health Insurance Program's objectives. The course provided tracks for different sectors including the local chief executives to provide the public with a thorough understanding of PhilHealth's fundamental philosophy – social solidarity and equity.

Today, dubbed as the Social Health Insurance Educational Series, the PhilHealth SHInES is designed as an innovative approach to generate people's interest and trigger public involvement towards their rights for a more responsive and relevant program. It is a nationwide educational campaign towards making every Filipino an advocate of social health insurance and to influence positive behavioral changes towards the realization of PhilHealth's mission of universal health care.

In this regard, we are setting an orientation that will provide basic knowledge on PhilHealth programs, concepts of social insurance, benefits including updates on the Universal Health Care Law. This will be on December 15, 2021 at 9:30 in the morning.

We look forward to your preferential consideration on this matter. For clarification, please feel free to call **Vanessa V. Agetano** at telephone number (046)472 0468 or email at [dasma.pro4a@philhealth.gov.ph](mailto:dasma.pro4a@philhealth.gov.ph).

Very truly yours,

  
**Ma. Obelia M. Fontanilla**
