## TUP Vision

The **Technological University of the Philippines** shall be the premier state university with recognized excellence in engineering and technology education at par with leading universities in the ASEAN region.

## TUP Mission

The University shall provide higher and vocational, technical, industrial, technological and professional education and training leading to certificates, diplomas, and degrees. It shall provide progressive leadership in applied research, development studies in technical, industrial, and technological fields and production using indigenous resources; effect technology transfer in the countryside; and assist in the development of small and medium scale industries in identified growth centers” (as embodied in P.D. No. 1518)

## Quality Policy

TUP shall commit to provide quality higher education, conduct relevant research and extension projects, continually improve its value to all stakeholders through enhancement of personnel competence and effective quality management system compliant to statutory and regulatory requirements.
