TECHNOLOGICAL UNIVERSITY OF THE PHILIPPINES
Office of the University President

Dear Beloved Graduates,

Indeed, another chapter of your life ends with your graduation from the University. Yet, a new one begins as you embark on a new journey. Full of hope, optimism, and determination, the acquired education will lead you to a brighter future and a fulfilling life.

As a graduate of this institution, you have now acquired full confidence as you have been prepared well for a life of greater responsibility and challenges. Bear in mind that the purpose of education is not only to uplift yourselves but with your acquired knowledge and skills, it is incumbent that you become agents of "social transformation." You can now be a "change-maker" towards improvement of the quality of human life especially that of the poor and marginalized sector of the society.

Always do what is good and right; you will never go wrong. Material gains and individual glory are just secondary because your personal integrity and dignity are paramount.

As you join the workforce, aim to make a difference as you exemplify the distinct traits you possess as graduates of this institution - industrious, innovative, creative, resilient, resourceful, and faithful in our Creator.

Your names are now on the roster of graduates of the University. It is your pride and honor to be TUPians. You will always carry a flaming torch to light your path in serving your community with pure passion and dedication.

Congratulations and God bless.

Engr. REYNALDO P. RAMOS, PhD., EnP.
President

Message

Dear Class of 2023,

This commencement exercises may be the end of one chapter, but it is also the beginning of a new and exciting journey. As you embrace new challenges and pursue your dreams, always remember that you are powerful because the world is your oyster.

But with all the opportunities waiting for you, know that the world is also waiting for your contributions.

You are now empowered through your education, and your role in this increasingly complex world, in the words of Toni Morrison, is to empower somebody else.

Many congratulations, TUPCians!

DR. MYRNA M. TEPORA
Campus Director

Message

Congratulations on this special day when you reap the fruits of your hard work and perseverance in the past years. Having gone through the difficult and uncertain times we all faced and the extra challenges of the new learning modalities we needed to surmount in swift time, getting this far is indeed a milestone.

We are all beholden to you including your parents, relatives and friends and the faculty members who have hand-held you to the end. I wish to join the whole TUPC community in congratulating you and in thanking your parents and all those who made it possible for you to be in this meaningful occasion as well as your teachers for giving you the education you all need to prepare you for the 4th Industrial Revolution and beyond.

The road to success is not going to be easy, continue to work hard and face the unimaginable ventures with the same spirit and intelligence, with the same unfailing self-respect, with the same courage, with the same pleasure and delight, that you have displayed during your time here among us. Surely, success will follow you. We all celebrate your entry to a new phase in your lives as it marks your first day in your career road map, your first day of career search and preparation for the examinations you have to take. It is indeed a milestone and a turning point. Enjoy the exciting journey ahead. We are all rooting for you!

All the best, Class of 2023!

PROF. MARIA CECILIA N. REYES
Assistant Director for Academic Affairs

Message

Congratulations TUP Cavite Class of 2023!

All your hard work, and perseverance have led you to this proud moment in your lives. You have worked diligently through some difficult times and achieved your academic goals.

I wish you continued success, and best wishes.

ATTY. DANILO M. ABAYON
Assistant Director for
Administration and Finance

Message

My warmest congratulations to the TUP Cavite Class 2023!

Your graduation day is indeed a blessing and worth celebrating. Cherish this gratifying moment of your life as it embodies an extraordinary achievement for you and your family. This marks a brighter future ahead because you have surpassed the unprecedented challenges of the past years.

As you receive your diploma, be proud of the hard work, patience, and perseverance that you dedicated to achieving your goal.

Never give up! Never! Remember that obstacles and problems that come are not just to test our strength, rather these are ingredients that make life great and fulfilling.

As you continue your journey in the real world, be courageous and be open to learning more. Let God's guidance and the lessons that your Alma Mater imparted to you, be put into action. Moving forward you will realize that nothing in your goals is impossible!

Continue making your Alma Mater, family, and yourself proud.

Good luck and God bless you all!

Panata ng Katapatan

Ako si _____ ay tapos pusong nanunumpa na mamuhay / ayon sa mga mithiing itinakda ng edukasyon ng pagsasanay / itataguyod ko ang mga tradisyon at pamantayan / ng Teknolohikal na Unibersidad ng Pilipinas

Patuloy akong mag-aaral tungo sa pag-unlad ng kaalamang Pangteknolohiya /

Higit sa lahat mangangako ako / na tatalima sa mga Karapatan at Tungkuling inaatang sa akin / bilang nagtatapos sa Teknolohikal na Unibersidad ng Pilipinas /

Ito ang taimtim kong pangako. / Kaya, tulungan nawa ako ng Diyos.

TUP Hymn

Music: Prof. Romeo V. Verayo, Sr.
LYRICS BY DR. MILAGROS F. LOMOTAN

Hail to you, Alma Mater, hail TUP
Your sons unite, and labor dignity uphold,
Strong minds, mighty hearts priceless that gold
These we offer you and all mankind
Hail oh hail -
Across the seas we'll toil for you,
Alma Mater dear
They're nation builders all, alumni ever true
Workers of note, trail blazers, artists
Selfless souls, men and women free
We honor thee
Technological University of the Philippines
Beloved school we honor you forever more!

TUP Hymn

Musika : Prof. Romeo V. Verayo, Sr.
Lyrics : Dr. Emerita R. Verayo

Kami sa 'yo'y nagpupugay TUP
Ang 'yong tanglaw, liwanag sa aming landas
Diwa mo'y ginto, pusong wagas
Alay naming sa iyo'y lahat ng hirap
Buong pag-ibig at paglilingkod na ganap

Kay dami ng anak na 'yong pinagyaman
Dahil sa 'yo ngayo'y haligi ng bayan
Moog ka ng laya at dangal
Teknolohikal na Unibersidad ng Pilipinas
Bantayog ka ng lahi naming minamahal.

Vision

TUP: A premier state university with the recognized excellence in engineering and technology education at par with the leading universities in the ASEAN region.

Mission

The University shall provide higher and advanced vocational, technical, industrial, technological and professional education and training in industries and technology, and in practical arts leading to certificates, diplomas and degrees. It shall provide progressive leadership in applied research, developmental studies in technical, industrial, and technological fields and production using indigenous materials; effect technology transfer in the countryside; and assist in the development of small-and-medium scale industries in identified growth centers.

Quality Policy

Technological University of the Philippines - Cavite shall commit to provide quality higher education; conduct relevant research and extension projects; continually improve its value to all stakeholders through enhancement of personnel competence and effective quality management system compliant to statutory and regulatory requirements.
